Information and Education on the special election and upcoming CNMHC

“Myths and Facts” (now being developed on the CARES calls with Delphine Brody)

Please join the CARES calls if you are interested in helping develop the policy.

Please join the OSH call if you want information/education or you want to help educate the callers on the election process and the CNMHC Myths and Facts

We will also be identifying those who would like to participate as part of a local quick response person on a variety of projects and policies.
